

SOLÀ2 CLÀSSIC 2016 WHITE

ORIGIN

SOLÀ CLASSIC was founded in 2002 to recover the true spirit of the Priorat wines. Today that spirit is still very much in force, maintaining the highest of standards to fulfil the expectations of the connoisseurs. Combining tradition and innovation, Solà Classic is a family run winery, offering a small but carefully selected range of wines – Young, Semi-Crianza and Crianza red wines, although we have recently incorporated a white Priorat wine to our range.

All the grapes used in our wine are product of organic farming from our Mas Hereu Estate. Founded in 1777, the Mas Hereu estate has an extension of 30ha, of which 8ha are destined to the growth of the two local varieties – Grenache and Carignan (22.000 vines), and 0,5 ha white Grenache.

GRAPE VARIETIES

White Grenache.

HARVEST

Traditional harvest. Prior to this, the plants have been selected for the optimum maturity of their grape. A final selection is carried out just before the wine making process to guarantee the quality and personality of this signature wine.

VINIFICATION

Controlled alcoholic fermentation in stainless steel vats at a maximum temperature of 18 Celsius.

TASTING NOTES

A bright and transparent wine, with a rich yellow-green color. In mouth we have a glicerine and full-bodied wine, with ripe fruit and the typical mineral touches of the Priorat wines. In nose we encounter ripe pineapple which enjoys an evolution towards rich marmalade.

TECHNICAL DATA

Bottle: 75cl
 Production in bottles: 1.800
 Year: 2016
 Alc. (Vol.): 13.5°
 Bottled: December 2016
